

Yoga retreat intensive

50 hour professional development course

One of six study modules on the Yogafurie 300 Hour Advanced Teacher Training

This retreat revisits key elements and practices from each of the study modules.

No previous experience is assumed, but it's recommended that you have studied at least one of the other modules in order to get the most out of the experience.

The retreat will greatly reinforce all that you have learned throughout your

study, and provides a platform to take the practices forward into your life and your teaching.

It is an intensive retreat, so expect to be engaged in some kind of practice for 8-9 hours per day.

Practice periods are spread out between the hours of 6AM-9PM, so there will be ample opportunity to rest, eat and socialise with others.

There is no formal assessment of this module.

Upon completion of the retreat, those who've studied the other five modules will be issued with their 300 hour certificate.

If you already have a 200 hour qualification, then Yogafurie will support your registration for a 500-hour recognition.
